6. Superintendent's Report

Dr. Kane updated the School on the following,

- a. Tuesday, March 26th, School Board Day at the White House. School Board members are encouraged to come to the State House on Tuesday, March 26, to meet with their legislators. They visit the House and Senate, and show support for public education. You are asked to meet at 9:30 a.m. on the second floor of the Cross Office building, which is the building to the right of the State House, and walk over together to the Legislature. If you are able to attend please RSVP msba@msmaweb.com.
- b. MSMA-Legislative Alert Reminder, Most of the State Legislative committee work is wrapping up this week. This means that votes on bills that affect our districts will be happening in the House and Senate over the next several weeks. The links below will allow you to call and email your local representatives and senators and express your concern or support for legislation. Emails can be as effective as phone calls, unless there is a time crunch. When you click on the links you will see your legislator's name and contact information. I have forwarded you all an email with instructions.
- c. I had an IEP with one of our students and The Stratton School, to discuss possible services, on Friday, March 1. I will keep you updated, for budgetary reasons.
- d. I have reached out to our receiving schools principals to request monthly updates about our students.

7. Finance Director Reports

Mr. Hudspath advised the Board that the tuition and the bus warrants are the key warrants for this month. The warrant was emailed out to everyone earlier today. He also advised that we have still received no bill from the Stratton School for Special Education. He will email them again and was asked to "CC" Dr. Kane in the email.
